SPECIAL CITY MEETING

July 13, 1995

Mayor Kathy Griffith called the Special City Meeting to order at 6:06 P.M.. Commissioner Maugham and Commissioner Gawlik were present and confirmed by roll call.

Bids from Carter and Burgess of Austin and Willis Environmental Engineers of Marble Falls for the engineering services for the implementation of the 1994 Texas Department of Housing and Community Affairs grant # 714209 received by the city were opened and reviewed by the Commissioners. Mayor Griffith proposed that the contract be awarded to Willis Engineers because they have worked with the city in the past and are familiar with our needs. Commissioner Maugham commented that they had prepared our grant application and have all the maps and specifications for our water system needs and that Carter and Burgess were not familiar with our needs and that a lot of new groundwork would need to be developed for them to successfully complete this grant.

Commissioner Maugham motioned to award Willis Environmental Engineers the Texas Department of Community and Housing grant award # 714209. Commissioner Gawlik seconded the motion. Motion was carried.

Meeting adjourned at 6:12 p.m..

Respectfully,

Teri Hogan
City Secretary

Kathy Griffith, Mayor
