WORKSHOP MEETING

JUNE 6, 1996

7:00 P.M.

Mayor Maugham called the Workshop Meeting to order at 7:00 p.m. Commissioner Gawlik and Commissioner Pfeifer were present and confirmed by roll call.

(a) There is a question as to the enforcement of deed restrictions and it was agreed that the Attorney General should be contacted to find the answer as to the enforcement of deed restrictions or if an ordinance is superior to deed restrictions for enforcement. There was also discussion as to minimum size of a structure whether or not it was residential or mobile. Several figures were bounced around and 750 square feet was suggested as a minimum. It was decided that another workshop was needed before the comprehensive zoning ordinance could be presented at a public hearing for review and opinion from citizens.

Meeting adjourned at 9:15 p.m.

Respectfully,

Teri Hogan
City Secretary
